

The background of the slide features a photograph of a Pakistani flag flying on a tall pole. Below the flag, a large crowd of women, many wearing black and white headscarves, are gathered on a hillside, looking out over a city. The entire image is overlaid with a semi-transparent dark red filter. The text 'Mission Enablers' is centered in a large, white, sans-serif font, with 'Enablers' being significantly larger than 'Mission'. A thin red horizontal line is positioned directly beneath the word 'Enablers'. Below this line, the word 'Pakistan' is written in a smaller, white, sans-serif font.

## Pakistan

Dear Partner,

It's so fulfilling to see the fruits of our labor after a very productive year. Indeed, God graciously did great things through us. In 2025, God moved mightily through our collective obedience and partnership, exceeding our expectations in every measure. We testify of record-breaking salvation across our outreaches, community transformation through our WASH programs, and strengthened frontline missions through strategic missionary support. Because of your faithful partnership, missionaries on the field were encouraged, resourced, and renewed with fresh hope to advance the Gospel more effectively. Lives were changed, communities restored, and faith strengthened. These are all clear evidence of God at work and the enduring impact of what we are accomplishing together.

In this season of reflection, we hold you in heartfelt gratitude for your steadfast alliance. Our joy is brighter because of partners like you. For the strength of your partnership throughout this year, may God honor you. We pray a special mantle of God's goodness rests upon you and your loved ones—granting you His richest blessings, overflowing joy, perfect peace, unwavering protection, and all-sufficient grace in the year ahead.

As we stand on the threshold of 2026, we see a year of amplified purpose. Our shared vision is clear, and together, we are poised to witness God's greater works unfold. We therefore confidently declare 2026 a year of greater obedience and profound advancement for us all. We move forward together, anticipating what God will do next through Us.

With deep love and appreciation from the entire Mission Enablers team.
